## **5. Building capacity of the Office of the European Integration Committee of the Parliament of Georgia. Sharing expertise and experience**

The EaP CSF Georgian National Platform will promote the involvement of the staff of the European Integration Committee Office in qualification upgrading activities and provide them with training in necessary areas.

## **ANNUAL GENERAL ASSEMBLY OF GEORGIAN NATIONAL PLATFORM**

The 7th General Assembly of the Eastern Partnership CSF Georgian National Platform was held on February 29, 2016 and was attended by 130 representatives of 86 member organizations. The meeting was attended by Mr. Lasha Tughushi, the Chairman of the Georgian National Platform as well as Mr. Archil Karaulashvili, the First Deputy State Minister of Georgia on European and Euro-Atlantic Integration and Mr. Stephen Stork, the Deputy Head of Operations Section of the Delegation of the European Union to Georgia. The meeting began with a presentation of the key events of 2015, including the successful completion of the visa liberalisation action plan. The meeting went on to focus on the importance of European Integration and the cooperation of the government and civil society in this process. Mr Karaulashvili showed a willingness to discuss issues with member organisations of the GNP, utilising their expertise when possible. He spoke about a Civil Society Platform (Georgian-European Platform), as stipulated in the Association Agreement and noted that this new platform would strengthen the Eastern Partnership. Mr. Stork recognised the importance of the Georgian National for engaging civil society in the monitoring of Association Agreement Action Plan, as well as in policy development processes. At the end of the meeting Kakha Gogolashvili, the director of EU Studies of Georgian Foundation for Strategic and International Studies (GFSIS) was elected as the

chairman of Georgian National Platform for 2016.

## **EVENT MARKING THE OPENING OF REGIONAL REPRESENTATIONS OF THE GEORGIAN NATIONAL PLATFORM**

On May 20, an opening event was held in the city of Gori, dedicated to the establishment of regional representations of the EaP CSF Georgian National Platform.

The Chairman of the Platform, Mr. Kakha Gogolashvili and the National Coordinator of the EaP CSF Georgian National Platform, Mr. Lasha Tughushi spoke about the role of civil society organizations in the democratic development of Georgia.

Civil society representatives were joined by Mr. Archil Karaulashvili, the First Deputy to the State Minister of Georgia on European and Euro-Atlantic Integration, and Mr. Carlo Natale, Deputy Head of the EU Delegation to Georgia joined the meeting and gave speeches as well.

Regional representatives of the National Platform made brief presentations about their future plans and on the state of development of civil society organizations in the regions.

The meeting was attended by local civil society organizations, by local self-government representations and the media.

## **REGIONAL REPRESENTATIONS OF GEORGIAN NATIONAL PLATFORM**

In January, during the first coordination council meeting the Chairman introduced to the Coordination Council members the initiative of establishing regional representations of the Georgian National Platform. On March 21, 2016 following discussions four GNP regional representations were established in the following regions of Georgia: Samegrelo (Zugdidi), Imereti (Kutaisi), Shida Kartli (Gori) and Samtskhe-Javakheti (Akhalqalaqi).

Each representation has one responsible person, who implements activities such as: strengthening GNP activities and its popularization in the regional context through regional meetings, public lectures, presentations, leaflets and banners.

For strengthening the regional representations, Memorandums of Cooperation were signed by Georgian National Platform and local self-governments in order to advance cooperation among the local authorities and member organizations of Georgian National Platform for supporting the European Integration process.

Regional representatives organized meetings to discuss the EU integration processes in the regional scope, the challenges they face at the local level and to provide active cooperation with the local authorities and non-governmental organizations operating in the region. These meetings were attended by GNP member regional organizations, as well as non-platform regional CSOs. Regional representations produced monthly reports containing news about their activities.

This activity aimed to engage regional organizations in the activities of GNP, including the popularization and promotion of the EaP CSF National Platformsv and EU integration process in Georgia.

## REGIONAL ACTIVITIES

The EU funded project “Supporting of Georgian National Platform for a more Equitable, Open and Democratic Society” assisted the Georgian National Platform to engage in capacity building with its regional representations. These consisted of various training sessions and information meetings.

The training sessions aimed to increase regional organizations’ involvement and to create networking opportunities. The sessions focused on the strengthening of civil society capacity in the implementation of the Association Agreement, as well as training in project writing and management, including fundraising, methodology and timing of project; to ensure their capacities to prepare the policy recommendations and policy documents, and conduct advocacy campaigns effectively. These sessions were conducted by experts from the Georgian National Platform and attended by representatives of regional NGOs and students as well as representatives of political parties and local authorities.

In other regions, regular information meetings were held to inform guests about the Georgian National Platform of the EaP CSF, its aims and activities as well as well as informing them about EU – Georgia Association Agreement and the visa liberalisation process. Attendees were then able express their interest in joining the GNP. Other topics discussed at regional meetings included the issue of illegal migration and internally displaced persons (IDPs); the current state of trade unions in Georgia; gender inclusion in Georgian politics; local elections; the role of the local government and the importance of civic participation; export opportunities and market diversification offered by the Association Agreement; regional media activities; the frozen conflicts of South Ossetia and Abkhazia and peacebuilding mechanisms.

In line with the EU “Communication and Visibility Manual”, EU visibility was ensured at the sessions.

## **TRAINING FOR GNP MEMBER ORGANISATIONS**

A training session “How to Develop Public Policy Paper” was held on August 9, 2016. The Training was conducted by Kakha Gogolashvili. Organisational and logistical support was provided by the Georgian National Platform Secretariat.

The main focus of the training was to train GNP members in how to prepare public policy papers. Participants got acquainted with the main elements of the process

The training took place in preparation for a joint annual high-level conference of the Government of Georgia and the EaP CSF Georgian National Platform, where the Georgian National Platform would submit important proposals and recommendations directly related to the Association Agreement, as agreed in Mo. Georgia. Following the training, each GNP Working Group developed policy papers regarding priority issues relating to the EU-Georgia Association Agreement and its implementation and submitted these to the Government of Georgia for consideration.

## **VISIBILITY STRATEGY OF GEORGIAN NATIONAL PLATFORM**

The project “Supporting Georgian National Platform for a more Equitable, Open and Democratic Society” developed a Communication and Visibility Strategy for the Georgian National Platform. The strategy will serve as a reference guide for member organisations implementing projects. The strategy contains approaches, activities and tools for consistent and systemized communications with target audiences during the implementation of a project. This will ensure the visibility of projects and raise awareness of their components, achievements, donors, partners and impact.
