

EaP CSF COVID Re-granting Scheme

Overview of funded projects

Armenia

AM_01: Rapid Assistance for Vulnerable Populations in Armenia

Partner organisation: Armenian Progressive Youth NGO

Implementation period: 01 December 2020 – 28 February 2021

Providing rationed monthly food and sanitary supply boxes to 300 families of unemployed daily wage earners and internally displaced people in the city of Yerevan and adjacent/satellite rural and urban communities via taskforce of 200 volunteers.

AM_02: Digital Divide Call to Action

Partner organisation: Teach For Armenia Educational Foundation

Implementation period: 10 December 2020 – 30 January 2021

Providing digital devices to 90 students in rural communities, and providing microgrants to support 10 student-run community projects. The projects would be organised as part of Teach for Armenia's 'Change-Based Learning' approach, in which teachers guide students on how to design projects which are then presented to a selection panel via a video pitch. Winning proposals would then be supported by the established Community Impact Fund, co-funded by DHL.

AM_03: WE CAN

Partner organisation: Local Democracy Agency Foundation

Implementation period: 02 December 2020 – 28 February 2021

Promoting women and youngsters' knowledge and raise awareness of work possibilities in the Shirak region, and supporting women's initiatives to contribute to the struggle against COVID 19. Creating a platform enabling businesses to advertise work opportunities.

AM_04: Addressing Urgent Needs of Persons with Disabilities in Armenia

Partner organisation: Unison NGO for Support of People with Special Needs

Implementation period: 02 December 2020 – 28 February 2021

Purchasing PPE for volunteers and staff to allow them to resume in-person care and assistance for people with disabilities, and purchasing disinfecting materials for the organisation's office space, facilities, wheelchairs, wheelchair-compatible minibus, etc.

AM_o5: COVID-19: MWCC NGO adaptation plans

Partner organisation: Martuni Women's Community Council NGO

Implementation period: 02 December 2020 – 28 February 2021

Developing a Communications Plan, Education Plan, and Force Majeure Plan – in Armenian and in English – to improve the visibility, offer, and preparedness of the MWCC NGO, particularly its social enterprise, Tagani, which provides employment opportunities to people with disabilities.
