Summer School 2019

Assessing the Needs of Youth in the EAP

20/07/2019 - 25/07/2019

Local Democracy Agency Georgia, within the framework of the project "Assessing the Needs of Youth in the EaP ", has implemented the summer school in Kutaisi, in which participated 16 young people from Georgia, Azerbaijan, Ukraine and Moldova.

- The project has started by the introduction of the project and team building activity. Participant also got the information about the partner organizations of the project and the goals and objectives of the Eastern Partnership Civil Society Forum.
- We hosted representatives of the European Union Monitoring Mission. Guests talked about main idea and aims of the Mission. Participant got the information about good governance, public administration and also, they discussed about youth needs in EAP countries.
- Participants of the summer school made a presentation about the needs of young people in their own countries and the ability to engage youth in decision-making process. Today, participants also started to develop the roadmap for youth needs.
- Summer school participants visited Kutaisi City Hall, where they met Vice Mayor – Mr. Davit Eremeishvili and Deputy Mayor – Ms. Nino Tvaltvadze. At the meeting, was presented the youth programs and future plans regarding to the youth activism and youth's engagement in decision making process. The meeting was also held at the Kutaisi University and Georgian Young Lawyers' Association Kutaisi Branch office, where they were presented youth projects. At the end of the meetings, participants of the summer school had the opportunity to ask the questions to the representatives and to express their position regarding to the programs presented.
- The last day of the summer school participants made the national road map about the needs of youth.

The aim of the project was to promote good governance in Eastern Partnership (EAP) countries by engaging youth in public administration; it was also aimed to increase civic engagement among youth.

The project was implemented within the Eastern Partnership Civil Society Forum sub-grant with financial support from the European Union.
